Alternatives explored by agency:

The alternative is to leave the federal earning assumptions as assumed in the carry forward level. This alternative was chosen so that federal earnings are in line with budget assumptions.

Budget impacts in future biennia:

Corrections may need to be made each biennia based on actual federal earning for individual federal funding sources.

Distinction between one-time and ongoing costs:

The award letters for each project specify the time period. When the funding ends, the projects will end. All costs associated with the federal grants are considered one-time.
